

Aircraft Systems - Transitioning to High Performance Airplanes (CIVIL AIR PATROL)

The seminar will focus on understanding high performance aircraft components, operations, best practices and proper handling. There will be a detailed explanation of system components related to the Cessna 182T/NAV III AFCS and C182R.

Directions: This seminar is only for Civil Air Patrol members. The location is at the CAP Operations van - north ramp @ Isla Grande Airport

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
